Learn more about Al GAMEA...

Our Beginnings

Al GAMEA was founded by a group of friends who felt that GLBT Arabs were overlooked and under represented. They wanted to create an organization which would foster self esteem and provide support for GLBT Arabs at all stages of coming out.

HIV Testing

Resources and Referrals by ACCESS providing free HIV testing and Arabic language HIV prevention counseling at events

Advocacy

We are proud to be the voice of the GLBT Arab community and represent the interests of GLBT Arabs in the larger Arab Community, the GLBT Community and in the media.

Arabian Nights

Seasonal Events held to create a safe space where GLBT Arabs and their friends can gather, socialize, and celebrate Arab culture and music.

Middle Eastern Helpline
